

ACROSS LAKE SWIM 2010

Well done to you all, for your achievement. If this was your very first Lake Taupo challenge, we pass on special applause. For the first time in four years we had excellent conditions both overhead and under body.

This year's swim was a record number of entrants; you came from a wide range of destinations. We trust your whole weekend in our town was enjoyable.

This year for the first time, the event organising partnership was Taupo Moana Rotary Club and the A.C. Baths staff. As a community activity, we are supporting the national 'Swim for Life' programme; this is a promotion of Water Safety New Zealand. You would have noted that the quality swim hat provided by this organisation. We ask, is there any skill we more need to encourage?

Our 2010 introduction was the 1km swim. This was well supported. Hopefully, it will be well received by newcomers to open water swimming. We were especially pleased with the response from the local Intermediate School.

Please find enclosed a certificate to recognise your achievement and a 'quick to fill' survey to help us deliver a quality occasion next year. Our event date is February 26th 2011.

Keep safe and we will look forward to seeing you next year
